

Q2 IMPACT

Challenge 2

Sponsor

Q2 Impact (formerly QED Group) is sponsoring this challenge. Founded in 1998 and headquartered in Arlington, Virginia, Q2 Impact works globally to enhance performance and results for clients in both public and private sectors. Through an evidence-based approach, they leverage technology, talent, and innovation to address complex global challenges across health, security, agriculture, economic growth, and education.

Background

Youth in our community face challenges in finding accessible information about nearby job opportunities. Despite existing vacancies in local businesses, the lack of clear and accessible information regarding these openings leads to missed employment opportunities, particularly for entry-level and internship roles aimed at young people.

To bridge this gap, Q2 Impact’s Jordan team has conducted a comprehensive mapping exercise, surveying businesses within a designated radius around youth centers. This survey has captured:
